SAFETY AND COMFORT: Delta Children provides infants and toddlers with the utmost in comfort with our crib mattresses featuring our most popular brands - Delta, Serta and Beautyrest.

DELTA CHILDREN MIB

Our mattress in a box provides comfort and firmness ideal for both babies and toddlers. The mattress is lightweight for easy sheet changing. It additionally features square corners for a snug fit and a soft knit cover has waterproof backing for easy clean up. Easy to open and unbox, too! Meets GreenGuard Gold certification for a safer sleeping environment.

BEAUTYREST SILVER

Natural silver properties help prevent the growth of odor causing bacteria and mold and mildew. Combined with a plant-based, soy-enhanced foam core, it has the perfect level of comfort and firmness for infants and toddlers. Natural cotton protection adds comfort and meets or exceeds all federal flammability standards. The soft, woven fabric cover has a waterproof backing that makes for easy clean up. GreenGuard Gold certified.

SERTA

Our Serta changing pad is perfect for changing baby. Quilted padding adds comfort, and a strap keeps squirmy babies safely in place. Firm foam sides gently cradles baby during changing time and keeps them from rolling out. Serta super soft covers help to keep the pad clean and dry.
