Furniture Brackets*

*Item #02263*

## SLIDE LATCH™

*Cabinet Door Lock  
with Quick Release – 2pk*

*Item #14200*

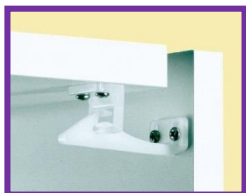

## For Cabinets with Knobs or Handles!

Loop the Cabinet Slide Latch over the door knobs, or through the handles on the cabinet then slide the quick release latch and cabinet is secure.

Spring action quick release slide is easy for an adult to push and remove to enter the cabinet.

## SAFE-LOK™

*Item #0356  
Case Pk: 12*

## 2-way latch catch - For Drawers and Cabinet Doors

When a child tries to pull out a drawer the Safe-Lok allows only a small open space. Unfortunately, after the child has opened the drawer and the latch locks – the child too often grabs the top edge of the drawer and pushes it in causing fingers to be pinched. The Safe Lok 2-way latch prevents this from happening.

Each retail pk contains 6 lok sets

## SAFE-LOK™ w/ Disabling Feature

*Item #0358*

## KID KEEPER™

*Child
