

Crib Mattresses & Pads

America's Best Selling Crib Mattress Brand

Sealy® is an iconic brand that families have trusted for over 130 years for dependable support and comfort. Not only is it a leading mattress and bedding brand recognized around the world, it has also grown to become the best-selling crib mattress brand in the USA.

With our American-made safety and quality-tested innersprings and foam crib and toddler bed mattresses, we deliver supportive, comfortable sleep right from the beginning. We offer a full line of classic, natural and innovative baby mattresses and bedding essentials smartly designed for the proper support, comfort, protection and safety that infants and toddlers deserve.

## ESSENTIALS - CHANGING PAD

Sealy® baby products never compromise on safety and quality. From durability to easy-care to strict chemical tests, Sealy crib mattresses and pads are specially designed and tested to the highest standards so you can feel confident your baby is getting a healthy night's rest.

Sealy crib mattresses and changing pads are proudly made in the USA.

Sealy baby products pass the Consumer Products Safety Improvement Act tests.

Sealy crib mattresses and changing pads are certified for a healthier indoor environment.

Sealy foam materials are made in America and pass standards for chemicals, durability and quality.

Sealy baby products are tested for harsh chemicals and meet the Chemicals of High Concern to Children (CHCC) regulations, WA state.

All the materials used in Sealy baby products are hypoallergenic.

Sealy crib mattresses meet the voluntary ASTM Crib Mattress standards for a safer product.

Sealy crib mattresses are tested to fit USA standard size cribs and toddler beds.
