**COURTNEY LOPEZ LOVES THE SEE ME GROW MAT
The Newest Celebrity Fan!**

Los Angeles, CA – FunTastic Media, inventor and maker of the See Me Grow Mat and Changing Pad, is proud to announce its newest celebrity fan, actress Courtney Lopez—wife of Mario Lopez, and mother of three.

Courtney was born in 1982 as Courtney Laine Mazza. She is an actress and producer, known for Pittsburgh (2006), Love & Salsa (2014) and Earano (2007). She has been married to Mario since December 1, 2012. They have three beautiful children.

Moses Ruiz, founder of FunTastic Media, sent the Lopez family a See Me Grow Mat and Changing Pad as a gift to welcome their new baby, Santino Rafael, in 2019. Subsequently, Courtney shared her love of the product with the website SheFinds.com. It was one of her “Top-5 Mommy Must-Haves.”

The See Me Grow Mat was and is already being used and endorsed by numerous health care professionals and hospitals nationwide, including California Hospital Medical Center in Los Angeles, the William Backus Hospital in Norwich, Connecticut, Mercy San Juan Medical Center in Carmichael CA, Maria Parham Medical Center in Henderson NC, Hoag Hospital Newport Beach CA, St Mary Medical Center Long Beach CA and Kingman Regional Medical Center in Kingman AZ just a name a few. And now the company is moving into the charity area with sponsorship status to The March of Dimes as well as Baby2Baby. Recently, the See Me Grow Mat was given the coveted Mom’s Choice Award and named “Best in Family-Friendly Media, Products and Services.”

The functional, sturdy and attractive promotional gift is a cloth changing pad and nap mat, marked with ruler measurements that make it easy to chart every inch of baby’s development from day to day, week to week and month to month. With so many overwhelming things to learn, the See Me Grow Mat helps make life easier. The See Me Grow Mat is three feet long, made of soft quilted cotton backing, and designed with busy moms in mind: it’s washable, dryable and waterproof on one side to protect from germs and bacteria. It folds and rolls into any baby bag and is perfect for changing diapers on the go—parents can even bring it in for doctor visits. The mat is also available in a Spanish version, and comes in four colors: pink, blue, purple and yellow.
